**THE OPIOID CRISIS IN NH IS STILL GROWING**

According to [a report from the New Hampshire Drug Monitoring Initiative](#), statewide deaths due to overdose in 2016 were projected to increase by 7 percent over 2015. Strafford County had the most overdose deaths per capita, with 3.83 per 10,000. Drug-related emergency room visits jumped by 28 percent, while the life-saving drug Narcan was administered nearly 2,800 times last year, a 4 percent increase from 2015. The report had some positive news. The number of people seeking help spiked dramatically, with treatment admissions for heroin and opioid addiction jumping by 28 percent in 2016. While progress might be difficult to see, those on the front lines of the epidemic said they believe the coordinated response has never been better. – Josh EcElveen, Political Director, New Anchor, Reporter for WMUR

## RECREATION COMMISSION UPDATE

### 2017 EASTER EGG HUNT

On Saturday, April 15<sup>TH</sup>, the Recreation Commission hosted the annual Easter Egg Hunt at the Town Field. Hundreds of children attended the event and the weather was perfect. A special "thank you" to Cynthia McClain for organizing the event, Judy Belanger and her crew for cleaning and stuffing thousands of eggs and helping at the event and Lindt Chocolate of Stratham, NH for their generous donation of assorted chocolate rabbits, eggs and other goodies. A great time was had by all.

### ANNUAL FISHING DERBY Saturday, May 13<sup>th</sup> 9:00am

The Town of Lee Recreation Commission will again host the annual Fishing Derby at the Stevens Farm on Tuttle Road. Prizes and trophies will be awarded for various size and number of fish caught. This year, three levels of monetary prizes will be given for specially tagged fish. Pre-registration can be made at the Town Hall and folks can register at the event. A fish fry will take place at Little River Park at 12 noon. There is no fee for this event.

**A Damp Time Was Had by All**

Ian, Lucus, Kira, Jameson and Nathan take a break from frog walking to hang out on the Dragon Pine in the Town Forest. Photo by Erin Gytotte.

A drizzly, raw, early Friday evening and Saturday morning may have been enough to stop amphibians from venturing out or even peeping and quacking, but it wasn't enough to prevent eight intrepid souls from enjoying both of the Conservation Commission's annual Frog Walks. We explored the bog, town forest and two vernal pools. Although frogs and salamanders were nowhere to be seen or heard, many egg masses of both wood frogs and spotted salamanders were found and we very much enjoyed hearing warblers and white-throated sparrows. During Friday evening's walk the many forms and colors of lichens were the preoccupation of many of the walkers. Saturday's walk covered birds, amphibians and newly emerging plants - with time out to admire some very big and oddly-shaped trees. Our next family walk will take place in late May when we'll return to the vernal pools with dipping containers and hand lenses to get a close look at the tadpoles, fairy shrimp and countless strange invertebrates that make these pools their home.

\*\*\*\*\*

**COME WALK WITH THE CONSERVATION COMMISSION TO SEE CONSERVED LANDS IN LEE! EVERY WEDNESDAY MORNING**

Residents are invited to join members of the Conservation Commission any Wednesday morning from now until early fall while they conduct site walks on the Town's conserved properties. Some of these lands are owned by the Town, but most of them are privately owned and protected in perpetuity with a conservation easement. If you'd like to participate, call the Town Secretary, Denise Duval, at 659-5414. We meet in the Town Hall parking lot at 8:45 am, dressed for walking in the woods. Standard precautions for ticks & mosquitoes are advised. Walks take 1½-2 hrs.

## HIGHWAY UPDATE

- Bids are back for the summer paving program and GMI Asphalt was the low bidder this year at 62.80/ton (down from 64.50/ton last year). This year there will be a lot of preventative maintenance paving (keeping the good roads good). Below is a list of roads tentatively scheduled for paving this summer and how long it's been since they were last paved:
  - Thurston Drive, Haley Court, Margaret Lane, Depot Lane, Piper Lane, Davis Lane, Spencer Lane and Elder Osbourne Road. All 12 years since last paved.
  - Jenkins Road, Little Hook Road, Wiswall Road and York Lane. 10 years since last paved.
  - Public Safety Complex. 13 years since last paved.
- The beavers are back at it on a regular basis plugging the culvert at Thompson Mill Road and damming up the Gile Road swamp enough so that if left unchecked both roads will flood.
- Urban Tree is tentatively scheduled to cut down hazardous trees/limbs along town roads May 4<sup>th</sup>, 5<sup>th</sup> and 8<sup>th</sup>. The crew will focus on the most threatening trees first.
- Bids are due back for the new Highway Truck Cab and Chassis April 27<sup>th</sup> and the plow/dump body/sander equipment for the truck on May 2<sup>nd</sup>.
- The Highway Department has taken over the mowing of the playing fields at Little River Park on a trial basis this year. On another note (with the last field nearing completion), after nine years the major earth moving is finally completed at the park.
- The temporary spring weight restriction on the town roads has been rescinded for this year.

LEE HERITAGE COMMISSION

***The answer to last week's trivia question:*** The Old Quaker Meeting House was turned into the "Walnut Grove School" by Moses Cartland. This historic landmark is on Cartland Road in Lee. In 1847, Moses Austin Cartland (1805-1863) organized the Walnut Grove School in the old Meeting House and this school was soon rated as one of the best academies in the state. The Cartlands were a family of Quaker educators, farmers, writers, and anti-slavery activists who were, also, the cousins of John Greenleaf Whittier. The Walnut Grove School was in existence for about fifteen years, and drew students from as far away as Ohio.
