AN EVENING OF COURTING WOODCOCKS AT LITTLE RIVER PARK

Friday, May 12th at 7:30 pm

PHOTO OF PEENTING MALE
WOODCOCK BY DANIEL NEIMAN

It's an early and spectacular sign of spring but one that many folks never see. Currently in brushy, undeveloped clearings; power line right-of-ways; old wood roads; and other wild places where there is a gap in the forest canopy, woodcocks are performing their unique and spectacular courtship displays. The performance begins after sunset, when the male woodcock stakes out a singing ground and begins wooing females with a nasal, buzzy, love song known as "peenting". Peenting is followed by the sky dance, as, wings whistling, the woodcock spirals high into the twilight sky, climbing up to 350 feet. A sharp, zig-zagging descent, accompanied by musical chirping, is the displaying woodcock's grand finale. He may repeat this ritual several times until all traces of sunlight have left the sky. The entire show may last no more than fifteen minutes or so.

Little River Park has an area with the type of open, shrubby-bordered habitat preferred by courting woodcocks. This area, which was being closed off by pine, cherry, black locust and other trees and shrubs, was recently rehabbed to keep it acceptable to woodcocks; young trees impinging on the clearing were cut and moved.

Please join us to watch the woodcocks perform and to learn more about the birds and their preferred habitat. Participants should dress for the weather. Feel free to bring a folding chair and binoculars. There is a short, easy walk - across a playing field - to the viewing area. All ages are welcome, but children must be able to watch quietly while the woodcocks are displaying as noises and moving around can disrupt the birds. While woodcocks are the main attraction, as daylight fades we have often been treated to barred owl vocalizations and the beautiful good-night songs of hermit thrushes, robins and cardinals.

This event is hosted by the Conservation Commission. Rain date is Saturday, May 13th at 7:30 pm.

Thanks to the 250th Committee, a new flag pole and flags have been installed at Little River Park. The flags are illuminated and will remain out 24/7.

HIGHWAY UPDATE

- GMI Asphalt was the low bidder this year at 62.80/ton (down from 64.50/ton last year). Below is a list of roads tentatively scheduled for paving this summer and how long it's been since they were last paved:
 1. Thurston Dr, Haley Ct, Margaret Ln, Depot Ln, Piper Ln, Davis Ln, Spencer Ln and Elder Osbourne Rd. All 12 years since last paved.
 2. Jenkins Rd, Little Hook Rd, Wiswall Rd and York Ln. 10 years since last paved.
 3. Public Safety Complex. 13 years since last paved.
- The beavers are back at it on a regular basis plugging the culvert at Thompson Mill Road and damming up the Gile Road swamp enough so that if left unchecked both roads will flood.
- Urban Tree is tentatively scheduled to cut down hazardous trees/limbs along town roads **May 4th, 5th and 8th**. The crew will focus on the most threatening trees first.
- The Highway Department has taken over the mowing of the playing fields at Little River Park on a trial basis this year. On another note (with the last field nearing completion), after nine years the major earth moving is finally completed at the park.
- The temporary spring weight restriction on the town roads has been rescinded for this year.

**COME WALK WITH THE CONSERVATION
COMMISSION TO SEE CONSERVED LANDS IN LEE!
EVERY WEDNESDAY MORNING**

Residents are invited to join members of the Conservation Commission any Wednesday morning from now until early fall while they conduct site walks on the Town's conserved properties. Some of these lands are owned by the Town, but most of them are privately owned and protected in perpetuity with a conservation easement. If you'd like to participate, call the Town Secretary, Denise Duval, at 659-5414. We meet in the Town Hall parking lot at 8:45 am, dressed for walking in the woods. Standard precautions for ticks & mosquitoes are advised. Walks take 1½-2 hrs.

POLICE REMINDER

Please do not become a victim. WHEN IN DOUBT, DON'T GIVE IT OUT.

Please remember that the scammers are still working to obtain your information. Do NOT click on any links in emails or provide any personal or banking information either on the telephone or on the internet, unless you initiated the contact. Scammers are still using the scams we have noted before: where they state they are from the FBI, where they send you an email that your banking/credit card information needs to be updated, where they call and state they are your grandchild and need money while they are on vacation, they call or email stating they are from Microsoft and there is a problem with your computer, the list goes on and on.

LEE HERITAGE COMMISSION

The answer to last week's trivia question: The first steam mill in Lee was owned by Job C. Thompson and was set up on George Bennett's pasture.

The Lee Heritage Commission Wants Your Photos!

Please share your pictures of Lee with us. It might end up being features in Lee's 2018 photo calendar. Don't be shy! Let your creative self shine! This is a great way to show your appreciation for your hometown.

We're looking for recent photos - taken in all seasons - of Lee's historic homes, farms, & barns, as well as landmarks, special features, & natural settings.

Along with each photo, please send a brief description of the subject of the photo, where in Lee it was taken, and the name of the photographer, so they can be given proper credit in the calendar.

Photos and questions may be sent to leenhcalendar@gmail.com

Check out the Lee Heritage Commission's Fb page. We invite you to post photos or comments that are relevant to Lee's heritage. <https://www.facebook.com/LeeHeritageCommission>

11th ANNUAL QUACKFEST
Saturday, May 6th 10:00 am – 2:00 pm
Durham Town Landing, Old Landing Road, Durham, NH

Join your friends, family and community members for an afternoon of music, fun, food and of course the famous rubber ducks that will race down the Oyster River to the finish line. The top three winning ducks will get \$1,000, \$500 or \$250. Ducks can be purchased at the event or at various local community businesses at \$5 per duck or 5 ducks for \$20. You do not have to be present to win. During this time you can visit with some of the local heroes of the Durham Fire Department and McGregor Ambulance and check out their vehicles, have your face painted, join in The Great Egg Toss (at 11:30), meet new friends at the Wildlife Encounter, listen to the cool sounds of the Oyster River Jazz Band (10-12) and enjoy some delicious burgers and dogs grilled up by your local Rotarians. And of course be there to watch the ducks waddle down the river at 1:00 for the duck race!

THE OPIOID CRISIS IN NH IS STILL GROWING

According to a [report from the New Hampshire Drug Monitoring Initiative](#), statewide deaths due to overdose in 2016 were projected to increase by 7 percent over 2015. Strafford County had the most overdose deaths per capita, with 3.83 per 10,000. Drug-related emergency room visits jumped by 28 percent, while the life-saving drug Narcan was administered nearly 2,800 times last year, a 4 percent increase from 2015. The report had some positive news. The number of people seeking help spiked dramatically, with treatment admissions for heroin and opioid addiction jumping by 28 percent in 2016. While progress might be difficult to see, those on the front lines of the epidemic said they believe the coordinated response has never been better. – Josh EcElveen, Political Director, New Anchor, Reporter for WMUR
