TADPOLE STROLL at the TOWN FOREST

Saturday, May 26TH 10:00 am

(Rain date: Sunday, May 27TH 10:00 am)

In early April, wood frogs and spotted salamanders began their breeding season and made their way to vernal pools. It is there where egg masses they deposited over six weeks ago are hatching and a population explosion is taking place as a variety of amphibian species begin the larval stage of their life cycles. Abundant and varied forms of invertebrate larvae share these ephemeral wetlands. As is the case in any habitat on the planet, life in the vernal pool is not a peaceable kingdom. Amphibian larvae are a food source for a variety of predators, particularly some of the larger insect larvae such as dragonfly nymphs; predation by fellow amphibian larvae is an additional hazard. Time, too, can be a winnower of these larval amphibians. Already the vernal pools are shrinking as warm temperatures and windy days speed the rate of evaporation, and tadpoles must metamorphose before the pools are completely dry.

Anyone interested in learning more about the aquatic stage of wood frog and spotted salamander life cycles, is invited to participate in this year's Tadpole Stroll. We'll look at both wood frog and spotted salamander larvae, and see what sort of interesting larval invertebrates we can find. Sponsored by the Lee Conservation Commission and led by Catherine Fisher, this walk will likely last an hour or so - although, depending upon what we see, things could run a bit longer. All ages are welcome. We meet in front of the library.

SUPERVISORS OF THE CHECKLIST MEETING

Tuesday, June 5th 7:00 – 7:30 pm Public Library

June 5th is the last day to change your party affiliation before the September 11th State Primary according to NH election law. If you are registered Undeclared, you must choose a party at the primary. You then remain in that party until you submit a request to return to Undeclared. This can easily be done as you leave the polls after voting on primary day. To check how you are currently registered is to go online to <http://sos.nh.gov/VoteInforLook.aspx>. Or look at the checklist that is hung at the Town Clerk's Office and at the Lee Public Library. You may change your party affiliation up until June 5th at the clerk's office or at the above mentioned session.

If you have not yet registered to vote at all, you may do so up to 10 days before the election (at the clerk's office or at a supervisor session) or on Election Day. Applicants should bring proof of identity, age, citizenship, and domicile when they come to register (driver's license, passport, birth certificate, mail, etc.). Qualified applicants who do not possess proof or who do not bring proof with them may register if they sign an affidavit attesting to their qualifications for identity, age, and citizenship. More than 30 days before an election, applicants without proof of domicile will be asked to retrieve proof and return to register. Within 30 days of an election and on Election Day, applicants without proof of domicile may register to vote if they sign an affidavit attesting to their domicile and either agreeing to bring or send in proof or attesting that they are not aware of possessing proof of domicile.
