**COME HELP PULL OUT THIS INVADER  
WEDNESDAY, JUNE 3<sup>RD</sup>, NOONTIME**

This deceptively attractive flowering plant, Garlic Mustard, is a relatively recent invasive plant in NH. Once it gets established, it totally dominates the landscape by producing a massive seed bank and also releasing a chemical that inhibits the growth of other plants. It is of no value to wildlife and out-competes native plants that wildlife depends on. We have the opportunity to prevent this from happening. Join members of the Conservation Commission and other volunteers for an hour of pulling this invasive plant. We'll meet at the cemetery at the corner of Mast and Garrity Roads. Much of our pulling will be on the sides of Rte. 155-A. Reflective safety vests will be provided. Bring gloves and take normal precautions for mosquitoes and ticks.

**PHOTO PROVIDED BY SCOTT BUGBEE**

Pink Lady's Slipper is an interesting wildflower in the Orchid Family. They are endangered in some areas because they take a long time to grow and because people collect them. This plant has only two leaves. A single flower stalk also grows from the center. The deep pink flower, which many people say looks like a slipper, grows about three inches long. Unlike most flowers you see, this flower is closed tightly except for a small opening in the front. Pink Lady's Slippers grow in shady forests under pine trees, oaks, Red Maple and Sweetgum.

## FAMILY NATURE WALK AT LITTLE RIVER PARK

**SATURDAY, JUNE 6, 9:30 AM**

After holding nature walks in the Town Forest for all of the winter and most of the spring, we return to Little River Park this June and look forward to revisiting favorite places. With its distinct habitats, there's always a lot to see and we've yet to have a walk there where we didn't come upon something interesting and/or unexpected. Along the upland trail the pink lady slippers should still be flowering, and the variation in shades of pink sported by these woodland orchids is always impressive. The river trail will likely have a nice variety of wildflowers blooming, including wild sarsaparilla, Indian pipe and jack-in-the-pulpit. Little River Park is a great place to find woodland, wetland and shrubland bird species, with thrushes, ovenbirds, vireos, indigo buntings and prairie warblers commonly seen and/or heard. Raptors are frequently seen hunting at the park. Sponsored by the Conservation Commission and the Senior Advisory Commission, family nature walks are generally held the first Saturday of every month. We'll meet in the LRP parking lot at 9:30. All ages welcome!

\*\*\*\*\*

**COME WALK WITH THE CONSERVATION COMMISSION TO SEE  
CONSERVED LANDS IN LEE EVERY WEDNESDAY MORNING**

Residents are invited to join members of the Conservation Commission any Wednesday morning from now through the summer and early fall while they conduct site walks on the Town's conserved properties. Some of these lands are owned by the Town, but most of them are privately owned and protected in perpetuity with a conservation easement. If you'd like to participate, call the Town Secretary, Denise Duval, at 659-5414. We meet in the Town Hall parking lot at 8:45 am, dressed for walking in the woods. Standard precautions for ticks & mosquitoes are advised. Walks take 1½-2 hrs.

**OUTDOOR ADVERTISING  
(NH RSA 236:75)**

It shall be unlawful to affix, attach or display any advertisement to any object of nature, utility pole, telephone poll or highway sign within the Town of Lee. Violation of this State Law is a Misdemeanor level offense if a natural person or guilty of a felony if any other person.

\*\*\*\*\*

**To receive the E-CRIER via email EVERY WEEK**  
**go to [www.leenh.org](http://www.leenh.org), click on Subscribe to E-Alerts**  
**and follow the directions to subscribe. It's that easy!**

## **ATTENTION!**

If you know someone who wants to see the e-crier but does not have the internet please direct them to Town Hall for a printed copy or to the Library to view it there. If they cannot leave their home please call Denise Duval, Town Secretary, at 659-5414 to have it mailed!

\*\*\*\*\*

## **TROUBLESHOOTING EMAIL FILTERS**

If your emails to receive the E-CRIER have repeatedly ended up in your spam folder then your internet provider may have stopped those emails from coming into your spam folder all together. You will need to sign up again and indicate that this is not spam.

If this is not the case, then your provider is blocking these emails and you will need to call them and ask for a 'whitelist'. This will essentially turn off their filter so you can receive these emails.
