**FAMILY NATURE WALK AT LITTLE RIVER PARK  
SATURDAY, JUNE 6, 9:30 AM**

After holding nature walks in the Town Forest over the winter, we return to Little River Park this June and look forward to revisiting favorite places. With its distinct habitats, there's always a lot to see. Along the upland trail the pink lady slippers should still be flowering, and the variation in shades of pink sported by these woodland orchids is always impressive. The river trail will likely have a nice variety of wildflowers blooming, including wild sarsaparilla, **Indian pipe and jack-in-the-pulpit**. Little River Park is a great place to find woodland, wetland and shrubland bird species, with thrushes, ovenbirds, vireos, indigo buntings and prairie warblers commonly seen and/or heard. Raptors are frequently seen hunting at the park. Sponsored by the Conservation Commission and the Senior Advisory Commission, family nature walks are generally held the 1<sup>ST</sup> Saturday of every month. We'll meet in the LRP parking lot at 9:30. All ages welcome!

To receive the E-CRIER via email EVERY WEEK  
go to [www.leenh.org](http://www.leenh.org), click on Subscribe to E-Alerts  
and follow the directions to subscribe. It's that easy!

**ATTENTION!**

If you know someone who wants to see the e-crier but does not have the internet please direct them to Town Hall for a printed copy or to the Library to view it there. If they cannot leave their home please call Denise Duval, Town Secretary, at 659-5414 to have it mailed!

**TROUBLESHOOTING EMAIL FILTERS**

If your emails to receive the E-CRIER have repeatedly ended up in your spam folder then your internet provider may have stopped those emails from coming into your spam folder all together. You will need to sign up again and indicate that this is not spam.

If this is not the case, then your provider is blocking these emails and you will need to call them and ask for a 'whitelist'. This will essentially turn off their filter so you can receive these emails.
