### **HIKE IT, BIKE IT, LIKE IT**

**Wiswall Falls Parking Lot, Wiswall Road**

**June 22<sup>nd</sup> 10:00 - noon**

This summer, the Lamprey Rivers Advisory Committee will lead participants on three low-impact, family-friendly activities. The first will involve exploring the human and natural history of the Wiswall Falls area in Durham on **June 22<sup>ND</sup>**. The Wiswall Falls area is listed in the National Register of Historic Places. This now quiet place once served as an industrial hub in Durham. Come learn the rich history of the site and how the site continues to be relevant today. After the short history walk, explore some of the natural features of the area and enjoy a nice picnic lunch by the Lamprey River. Bring your own lunch and blanket. If you plan to explore the area's natural features after the history walk, please be aware that poison ivy is present. Please contact [spetersen.lrac@comcast.net](mailto:spetersen.lrac@comcast.net) if you have any questions.

## SENIOR ADVISORY COMMITTEE UPDATE

**Walking at Little River Park.** Our first-of-the-month Nature Walk in Little River Park, sponsored by SAC and the Conservation Commission, found eleven people walking with Catherine Fisher, Conservation Commission member and SAC members. The party included two children and one dog. It was delightful to have our community represented in this way. Members of the Senior Advisory Committee and friends will be leading the walk this week, Saturday, June 14, 8:00 AM. Please bring along your camera if you enjoy taking pictures. We saw dozens of lady slippers and other native plants! We are fortunate to have such knowledgeable folks among our midst to help us appreciate what we are observing. If you have an area of expertise that would fit into our walking plan and would like to join us contact [shirlwalker@comcast.net](mailto:shirlwalker@comcast.net).

SAC is working on scheduling our annual Flu Shot Clinic in conjunction with Walgreens and a Medicare presentation to be held in the fall.

Arthur Lawrence of Everett, Mass., who has had the superintendence of the construction of the water works at Wadley's has returned home. The mill is a fine structure, the only one of its kind around here. Those who have ascended to the top of it say they like terra firma better.
