LEE HISTORICAL SOCIETY UPDATE

The Lee Historical Society Museum will be open this **Saturday, June 17th from 10-2**. We have exhibits on Lee's history and general artifacts on life in the past. Kids love our recreated One Room School and the toys and games from Colonial times to the 1950's. We have lots of information on the families and homes of Lee. Our volunteers will be glad to help you with genealogy questions and research. A special treat on Saturday will be churning butter and learning to spin yarn on a suspended spindle. Join us as we experience these crafts from our past.

We are always looking for new members and volunteers. Everyone is welcome. Students looking for Community Service experience are especially invited to become docents and/or help with collections and research.

If you are an Amazon shopper, please consider supporting the Museum and Society, by going to Amazon Smile. Please be aware that there is a Lee, Massachusetts Historical Society as well, so make sure you find Lee, NH. Your support costs you nothing and allows Amazon to send us .5% of your purchase cost as a donation to us. If everyone in Lee does this we will be able to create new exciting exhibits and programs of the town and for the town.

Check out our new website at www.leehistoricalsoc.org. It is still under construction, but already has some interesting information.
