### LIBRARY REGULAR HOURS

**Monday, Tuesday, Wednesday: 12:00 – 8:00 pm**

**Thursday, Friday: 10:00 am – 5:00 pm**

**Saturday: 10:00 am – 3:00 pm**

T-shirts will be available to buy or order at the Lee Fair this year. Come to the library and vote for the design and colors you like best. Also on display are photos of the last big parade held in Lee at the Bicentennial in 1966.

The library is now offering an online education service called “Universal Class”, the premier service for continuing education and learning for fun. This replaces “Learning Express Library”. Universal Class offers 24/7 access to over 500 courses ranging from accounting and nutrition to reiki and gardening through the library’s website. Classes are self-paced and instructor-led. Go to the following website to set up a user name and password: <http://leepublicnh.universalclass.com/register.htm>. Please call us at 659-2626 if you have any questions.

The library has recently added some new features to the online public access catalog (OPAC). The catalog now displays actual book jackets of the books in the library’s collection. The books have multiple tabs that provide annotations, catalog details, excerpts, author bios, publisher summaries and availability. If you need help navigating the new features in the online catalog, come to the library. The staff will be happy to help.

**To receive the E-CRIER via email EVERY WEEK**  
go to [www.leenh.org](http://www.leenh.org), click on **Subscribe to E-Alerts**  
and follow the directions to subscribe. It's that easy!

### ATTENTION!

If you know someone who wants to see the e-crier but does not have the internet please direct them to Town Hall for a printed copy or to the Library to view it there. If they cannot leave their home please call Denise Duval, Town Secretary, at 659-5414 to have it mailed!

\*\*\*\*\*

### TROUBLESHOOTING EMAIL FILTERS

If your emails to receive the E-CRIER have repeatedly ended up in your spam folder then your internet provider may have stopped those emails from coming into your spam folder all together. You will need to sign up again and indicate that this is not spam.

If this is not the case, then your provider is blocking these emails and you will need to call them and ask for a 'whitelist'. This will essentially turn off their filter so you can receive these emails.
