## Lee News & Upcoming Events

### A Message from Randy Stevens

I would first like to thank all of those responsible for organizing and making my retirement party so special from the food, to the kind comments, to the cards and gifts. I would also like to thank all of those who took time out of their evening (on such a hot night) to attend. Although I am not much of a party person I could not have asked for a nicer retirement party. It was a great sendoff. It is very nice to know that my efforts over the years did not go un-noticed.

I have been very fortunate over the past 36 years to have such a good working relationship with the Boards, Committees, Commissions and staff of the Town. Not all Road Agents/Highway Supervisors can truthfully claim that. I appreciate all of the support and respect that all have shown to me over the years. It has been a good run; however, change is in the air.

As many of you know my replacement has not been chosen yet. I have agreed to help out with the paperwork and pending projects as needed on a part-time basis at the Highway Department. I hope that when my replacement is chosen the Town will show that individual the same support that I have received for all these years.

The big question out there is what Randy will do when he retires. I can guarantee that Randy will not be playing golf. Believe it or not Randy did not depend on the Highway Supervisors job for his happiness. Randy enjoys working on the farm, riding his pedal bike, fabricating and fixing things, gardening, railroads, town history, family genealogy, and family time. It can be expected that Randy will be doing all of these things plus trying to take some of the load off of wife Michelle's plate so that she also may enjoy a less stressful life.

Thank You Town of Lee for 36 years of gainful employment.

### **WHEN SECONDS COUNT...**

Can the Police, Fire, or Ambulance find your home when you need them for assistance with an emergency? Can they find it at night? Can they find it during a snowstorm?

Having your name and number on a mailbox is just not enough. Some mailboxes are clustered together. The numbers are small and the location may not mark the entrance to your driveway.

The Lee Firemen's Association, in a joint effort with the Lee Fire Department, has started a program to install reflective house number signs at driveway entrances to assist all emergency responders in locating your home in a time of need.

The cost for each sign with a post is \$30.00 and it will be installed by the Lee Firemen's Association.

**Please take the time NOW to SAVE TIME in an EMERGENCY**

## **A LEE FIRE & PLANNING AND ZONING DEPARTMENT REMINDER TO ALL HOMEOWNERS AND BUSINESSES IN THE TOWN OF LEE**

A Building Permit is required for all tents that are 400 square feet and over per the International Building Code adopted by NH and the Town of Lee. An Assembly Permit is required for all tents being occupied by more than 50 people per RSA 155:17-39. [CLICK HERE](#) for more information or call Planning and Zoning at 603-659-6783 or the Fire Department at 603-659-5411.

### **ATTENTION**

Yard Sale season is upon us which brings up an issue of signs being posted improperly. Please remember that advertisements of any kind need to be posted on "free standing" posts not on telephone poles, street signs, markers, posts, etc. If you do put signs out for yards sales etc., please make sure that they do not block the view of traffic, are not on town property, and, if on private property that you have the land owner's permission and that you remove them once the event is over. Signs that are left behind generally end up blowing away and become trash. Thank you!

### **CHAPTER 236 HIGHWAY REGULATION, PROTECTION AND CONTROL REGULATIONS Outdoor Advertising - Section 236:75**

**236:75 No Advertisements of Any Kind Upon Certain Objects.** –Notwithstanding any provisions of the law to the contrary, it shall be unlawful to affix, attach or display any advertisement upon any object of nature, utility pole, telephone booth, or highway sign, directly in such a manner that the object of nature, utility pole, telephone booth, or highway sign, is utilized as an integral part of the sign's support as distinguished from being only incidentally a support to the sign, such as the earth or ground upon which a sign is affixed. This prohibition shall extend to all primary and secondary highways and roads of and within the state without exception for any type of advertising. The owner of an object upon which an advertisement is placed in violation of this section shall be entitled to remove and destroy the advertisement and the advertisement owner shall not be entitled to damages or compensation therefor. The object owner shall be entitled to collect the costs associated with the removal and destruction from the advertisement owner or the person who is responsible for placing the advertisement on the object in violation of this section.

**COME WALK WITH THE  
CONSERVATION COMMISSION TO SEE  
CONSERVED LANDS IN LEE!  
EVERY WEDNESDAY MORNING**

Residents are invited to join members of the Conservation Commission any Wednesday morning while they conduct site walks on the Town's conserved properties. Some of these lands are owned by the Town, but most of them are privately owned and protected in perpetuity with a conservation easement. If you'd like to participate, call the Town Secretary, Denise Duval, at 659-5414. We meet in the Town Hall parking lot at 8:45 am, dressed for walking in the woods. Standard precautions for ticks & mosquitoes are advised. Walks take 1½-2 hrs.

## DO NOT FORGET!

**Please do not become a victim. WHEN IN DOUBT, DON'T GIVE IT OUT.**

The scammers are still out there working hard to steal your money and your identity. The Lee Police Department just took two calls of scam callers that are operating in completely different ways. The 1<sup>st</sup> call involved a text to a person about an advertising job; driving a car that has been wrapped with an advertisement. The scammer sent a check requesting that the person deposit the check and then send some of the check to the car wrapping company. Luckily the bank held the funds until it was determined that the check was not from a valid account. The 2<sup>nd</sup> call involved the caller advising they were from the Department of Treasury and were monitoring the victim's address and requesting payment.

Please do not become a victim. Don't release any information or agree to accept a check where you have to forward part of the funds either back to the caller or to a 3<sup>rd</sup> party.

To report Department of Treasury or IRS scams:

### Phone and e-mail Scams

If they claim to be from the Treasury (non-IRS), report it to [OIGCounsel@oig.treas.gov](mailto:OIGCounsel@oig.treas.gov). For any report of a fraudulent call, include:

The exact date and time that you received the call(s)

The phone number of the caller

The geographic location and time zone where you received the call

A description of the communication

If they claim to be from the Internal Revenue Service, report it to [phishing@irs.gov](mailto:phishing@irs.gov), subject line: "IRS phone scam." You may also report these calls to the Treasury Inspector General for Tax Administration, which has jurisdiction over IRS-related matters.

## NEWS FROM THE LEE HERITAGE COMMISSION!

- The Lee Town Center is now sporting a bright new summer look, due to the Lee Heritage Commission asking our very own Lee artist, Amy Daskal, co-owner of Blue Bell Greenhouse, to design some colorful banners. The two Little River Park banners should be up this week!
- We are hoping to hear soon that the Lee Historical Society building has been placed on the NH State Historical Register. The Lee Town Hall building and the Lee Town Shed (with Tramp Room) building were both placed on the NH State Historical Register earlier this year. A hearty "Huzzah!" for Laurel Cox, who did painstaking research on the history of these buildings!
- Additionally, Lee Heritage Commission member Denis Hambucken is currently designing signs that will be put up on all of the Lee Town buildings that have been placed on state register. The signs will give the name and date of each building, as well as stating that it has been listed on the New Hampshire State Historic Register.
- The Lee Heritage Commission is already making plans for our booth at this year's Lee Fair on September 8<sup>th</sup>. The LHC will have a great selection of Lee history publications available for sale at the fair, as well as the remaining Lee 250th Celebration items: mugs, kids t-shirts, coins, wooden nickels, and bells. AND – Ta Da!! – thanks to the diligence of Commission member Liz McCaffrey, the new 2019 Lee Heritage Commission wall calendar is coming together nicely - and should be out in time for the Fair!

**Monday, Tuesday, Wednesday: 12:00 – 8:00 pm**
