**COASTAL CLEANUP, OYSTER RIVER STYLE**

**Saturday, September 19<sup>th</sup> 9:00 am, Old Landing in Durham**

Coastal Cleanup in the Seacoast Area is sponsored by the Blue Ocean Society. Here's a chance to do something green and useful close to home. The Oyster River Watershed Association will be coordinating cleanup at several locations along the Oyster River and tributary streams in Durham. Volunteers will be supplied with gloves, bags and tally sheets so they can pick up trash in assigned stretches of shoreline, separating out recyclables and tallying in categories. Pick up at most locations can be completed in an hour or so, depending on the numbers of volunteers. This is a fun way for families and other groups to contribute to community and coastal well-being and health. Old Landing Road, which leads to the Old Landing parking area, is the second road on the right toward Dover beyond the Main Street Route 108 traffic light. Questions and updates? Contact Dick Weyrick, 868-2862, [dweyrick@comcast.net](mailto:dweyrick@comcast.net)

**LAMPREY RIVER CLEAN-UP**

**Saturday, September 19<sup>th</sup>, 9:30 am**

Help keep the Lamprey River clean and healthy! Volunteers are needed to help remove trash from in or near the Lamprey River. Meet at one of four locations: Newmarket Library parking lot, Epping Mill Street Bridge, Raymond The Pines Restaurant or Deerfield Community School. Volunteers will be provided a trash bag and instructions. Event is rain or shine. Be part of the solution! Get dirty for Good! Questions? Email [Volunteer@lrwa-nh.org](mailto:Volunteer@lrwa-nh.org) or call 659-9363.

### **UPDATE FROM YOUR RECREATION COMMISSION**

Earlier this year, several members of the Senior Advisory Committee discussed with members of the Recreation Commission the need for an exercise walking path at Little River Park. The request was for a smooth walking surface with very minor grading. After considering several options along with the costs involved in developing a path that would be "senior friendly", the proposal was to incorporate a section of path already established from the parking area to the ball field. A new stone dust path would then be constructed from the ball field, circling around the outside of the fencing and connecting back to the path by the new swings and exiting to the parking lot. This "loop" would provide a smooth walking surface with a distance of about 1/3 of a mile. The Select Board approved the project. Randy Stevens and his crew did an excellent job in designing and constructing the path and it is now available for use.

Visitors to Little River Park will also note some new construction taking place in the playground area. Members of your Rec Commission are constructing a slide structure. We hope to have this completed in the next couple of weeks and available for use.

The Pavilion Project is moving along and construction is scheduled to begin next week.

Your Rec Commission wants to hear from you with suggestions and recommendations. We are also looking to fill 1 open position on the commission. If you would like to serve or share your suggestions, please contact Larry Kindberg at [larrykindberg@comcast.net](mailto:larrykindberg@comcast.net). The Recreation Commission meets on the first Tuesday of each month at 6:30pm at the Safety Complex and all are welcome.

**COME WALK WITH THE CONSERVATION COMMISSION TO SEE  
CONSERVED LANDS IN LEE EVERY WEDNESDAY MORNING**

If you'd like to participate, call the Town Secretary, Denise Duval, at 659-5414. We meet in the Town Hall parking lot at 8:45am, dressed for walking in the woods. Standard precautions for ticks & mosquitoes are advised. Walks take 1½-2 hrs.
