October 2, 2015

FAMILY NATURE WALK AT LEE TOWN FOREST SATURDAY, October 3rd , 9:30 AM

During this nature walk we'll visit the bog, an abandoned orchard that is in the midst of becoming a forest, and a lovely, dense stand of hemlocks. Along the way we'll take note of how the variety of plant species changes from habitat to habitat, and we'll pause to enjoy plants whose bloom-time marks the end of the flowering season and a last opportunity for nectar-gathering.

Sponsored by the Lee Conservation Commission and the Sr. Advisory Committee, family nature walks are generally held on the 1st Saturday of every month. We'll meet at the trail head behind the baseball dugouts (alongside the transfer station road). All ages welcome!

LEE HISTORICAL SOCIETY & LEE LIBRARY

Hosting a Program on Native American Culture

Wednesday, October 7th , 7:00 pm, Public Safety Complex

Liz Charlebois, Education Director, of the Mt. Kearsarge Indian Museum will be presenting a program on Native American Culture focusing on the Abanakis. The Mission of the Museum is dedicated to connecting people of today with 20,000 years of ongoing Native American cultural expression. We are all familiar with the name 'Abanaki'; but how much do we really know about this proud Native American tribe that has been an important part of our cultural heritage for centuries? Ms. Charlebois will present the history of the Abanakis, which will bring to us a new perspective of the vastness and richness of the Native American culture that not only includes New Hampshire, but most of New England and parts of eastern Canada.

The program is Free and Open to the Public. Refreshments will be served at the end of the Program.

**THE 250TH CELEBRATION COMMITTEE WILL BE SELLING

EVERY KID IN A PARK INITIATIVE

Every Kid in a Park Initiative helps to engage and create supporters and advocates of nature's environment and provide an appreciation of America's history and culture. The initiative is an administration-wide effort among the National Park Service, Forest Service, Department of Education, Army Corps of Engineers, Bureau of Land Management, Fish and Wildlife Service, Bureau of Reclamation, and National Oceanic and Atmospheric Administration. The immediate goal is to provide an opportunity for each and every 4th grade student across the country to experience their public lands and waters in person throughout the 2015-2016 school year. For more information go to www.doi.gov/everykid/index.cfm.
