POLICE DEPARTMENT UPDATE

We have been experiencing issues with a large number of "Yard Sale" and other advertisements being placed around town. All signage must be "Free Standing" and not affixed to telephone poles, street signs etc. The signs cannot be placed in such a manner as to block the view of traffic and must be removed once the event is over. There have been a number of signs that have become trash on the roadside. Our officers will remove any signs that are in violation and the persons responsible are subject to arrest and fines. We generally will call and give people a chance to remove the signs on their own. To read the corresponding NH State Statute, go to:

READY RIDES

NEEDS volunteer DRIVERS from LEE!

READY RIDES volunteer drivers offer free rides to medical appointment for residents 55+ and those who are disabled and unable to drive. They serve Lee, Barrington, Durham, Madbury, Newmarket, Northwood, Nottingham and Strafford.

They need volunteer drivers from Lee! This program receives the support of the town budget and is a great opportunity for active residents with minimal amount of time to volunteer. Drivers receive 25 cents per mile and can pick as many or as few rides as they want to do. Drivers must be at least 25 years old, have a valid driver's license and a favorable driving record. You must have a legally registered, inspected and insured vehicle to transport the rider. You will need to complete a volunteer application that includes a motor vehicle and criminal background check of age. Volunteer Orientation meetings are held frequently. There is one on Friday, October 10th at the Barrington Library at 3:00 pm. If you are unable to make this meeting, please call Meri Schmalz at 224-8719 or email info@readyrides.org for information about this great opportunity to help out your neighbor.

LIBRARY TRUSTEES CORNER

Library Trustees have reviewed applications for the director position and have invited four candidates for interviews within the next few weeks. The Trustees would like to commend Interim Director Michelle Stevens for doing a fine job during this time. The entire staff has been helpful and willing to adjust schedules and duties to maintain the high level of service to our patrons.

The Building Committee has continued their task to finalize the plan for the library community center so that a warrant article to finance the project can be brought to voters in March. Milestone Construction and architect Dennis Mires have been brought back into the process to generate a new set of drawings and a revised budget while maintaining the necessary features needed for a building to reach well into the future for the community of Lee. It has been challenging work for the Building Committee and the library Trustees.

Working together, Lee can build it!

LITTLE RIVER PARK 10-4-14

SENIOR ADVISORY COMMITTEE UPDATE

FAMILY NATURE WALK AT LITTLE RIVER PARK NEXT WALK SATURDAY, OCTOBER 11th @ 9:30 am

Last week found the riffle area of Little River adorned with the gold of birch leaves, but it was a damp day for a nature walk, so it was postponed to this Saturday, October 11th.

Three weeks into the new season, the habitats found in Little River Park are putting on the glitz, and nature's cornucopia is overflowing. Fall wildflowers, such as the stiff asters and dusty goldenrod are still in bloom and bees, butterflies and other pollinators are in attendance. Fruits of spicebush, winterberry and poke plants are ripening to their bright, eye-catching colors; migrating birds pause here for refueling before continuing on the long journey to their wintering grounds. Mast crops of hickory nuts and acorns are fairly thick on the forest floor, and squirrels, mice, porcupines, turkeys, raccoons and deer are gorging on this brief abundance. From the top of the ridge overlooking the park, the gorgeous autumnal colors of the forest canopy form a glorious vista.

The pleasures of fall - mild weather, plenitude, brilliant colors - are always far too brief. A stroll along the Little River Park nature trails is a wonderful way to experience the fleeting beauties of the season. Join us this Saturday! All ages welcome. We'll meet in the parking lot.

BITS of HISTORY from
The NEWMARKET ADVERTISER

October 1892

We have a hen that has averaged five eggs a week for over two months without taking a rest, and is still at it, her one idea being centered on her lays. She is mixed breed, very small head, ditto eater, who can beat her.

Orrin Ellison and wife of Amesbury stopped in town on their way home from an extended bicycle trip up country. They were equipped with fine safety wheels, and seemed to be enjoying their "silent steeds."

October 1899

Flagg Mitchell, who recently lost a horse, which died suddenly from heart disease, received from friends in Lee and Nottingham a present of over forty dollars towards purchasing another one.
