November 1, 2012

Jeremiah Smith Grange, Lee NH damaged by Hurricane Sandy.

HISTORIC GRANGE HALL DAMAGED IN HURRICANE SANDY

The Jeremiah Smith Grange Hall in Lee suffered major roof and window damage from a fallen tree during Hurricane Sandy. Half of the roof will need to be replaced, and four of the historic windows on one side will need replacement. The community rallied right away to remove the tree and to tarp the roof to prevent further damage.

THE AFTERMATH of HURRICANE SANDY

As of Thursday afternoon, November 1st all roads in Lee are open; PSNH reports all of their Lee customers have had power restored; NHCoop reports 2% (13) of Lee customers remain without power; all Schools in the Oyster River Community School District are open.

During and after the storm Police, Fire and Emergency Management staff conducted 10 wellness checks on Lee residents. If you would like to be added to the wellness checklist (for emergency events), please contact Emergency Management Deputy Caren Rossi at 659-6783 or Fire Captain Scott Nemet at 659-5411.

To report a power outage call PSNH at 1-800-662-7764 or NHCoop at 1-800-343-6432. If you have power but your service provided by Comcast is not operational, please contact Comcast directly at 1-888-633-4266.

DISPOSAL OF BRUSH FROM THE STORM

The Transfer Station will be open additional hours on Friday, Nov 2nd from 7:30 a.m. - Noon for disposal of Brush Only. Regular hours of operation will resume on Saturday 7:00 am - 5:00 pm.
