WADLEY'S BRIDGE, LEE, N. H.

**BITS of HISTORY from
The NEWMARKET ADVERTISER
November 3, 1905**

*The larger of the Wadley's bridges is worn threadbare. The holes being thickly patched with slabs, gives it the appearance of a spill from wood teams. There'll be broken limbs to pay for, if it isn't replanked soon.

*I hate a liar as badly as some of our citizens hate the road machine, yet I sometimes get drawn into the vortex, through carelessness. Apple juice is expressed at Wadley's Monday and Thursday, (not Friday) of each week.

*Miss Ora Chesley announces the name of her home, "The Elms".

Excerpts submitted by Road Agent Randy Stevens, who has been researching Lee's history in his spare time. Thanks Randy!
