STORM UPDATE

Road Update in Town of Lee

- Garrity Road (155 side after the cemetery); **NOW OPEN**; low hanging wires at #22
- Old Mill Road (Pinkham Rd side near the Preserve); **STILL CLOSED**; powerlines still down
- Snell Road (at 64- near high tension lines); **NOW OPEN**
- Tuttle Road (at Jericho); **NOW OPEN**
- High Road (gravel section); **Open to regular travel**; still some low hanging wires. **Caution to large trucks.**

Eversource

We are still on track for restoring the vast majority of customers in **LEE** tonight. Customers without power in communities where neighbors have power are asked to report their outage online at Eversource.com or call our Customer Service Team at 800-662-7764 to report your outage.

The assisted living home, Kirkwood Corners, on North River Road should have power restored very soon. Crews are finishing up the work there this afternoon.

NHEC

Below are important contact numbers for reporting outages:

800-343-6432 – this is NHEC's public outage line used to report outages and listen to recorded outage updates as available.

800-698-2007 - this is NHEC's main public number with prompts for various depts. including outage reporting, report trees on lines, report wires down.

Planet Fitness has announced its New Hampshire gyms (including the one in Lee) will allow anyone impacted by the storm to use their showers, locker rooms, electrical outlets and other health and wellness equipment for free through Sunday, November 5th.
