- A Site Review application from Purdy Funeral Services represented by Donald & Steven Purdy. The applicants are proposing to add an additional building approximately 32' x 60'+- for a small animal crematory. Property is known as Tax Map #07-01-0000 and is located at 2 Concord Rd, Lee NH.

The Board members held a public site at the site. The Board did not have any concerns at the walk, but Scott Nemet from the Lee Fire Department has concerns with the parking in front of the new structure and this would prohibit fire apparatus access. There was discuss as to put no parking signs up along this area to keep vehicles from parking there.

The Board had no issues.
