Sustainability Committee

Suggest they meet with us

Dean is a member, and we ask that he report to us at our next meeting about where their committee stands on recycling/composting etc.

Roadside cleanup - SWC passes on being a part of the effort as not within our purview

Recycling Center stickers for 2020 Oct / Nov

Discussion on kind of "sticker."

Card for reader?

Windshield sticker as customary

Possible Town of Lee sticker to be issued by the Town at the time of vehicle registration - similar to the Town of Rye stickers.

The thought being then every vehicle registered in the Town will be easily identified

Toby to bring up the idea at the Selectmen's meeting.

Brush Pile

Cost of hauling/chipping

Burning in small quantities. Issues with ash. Time to burn, and monitoring.

Web Site - Toby is working on changes

Signage on Bins in center - Structures to hold signs being made.

PAYT - Tabled until next meeting

Swap Shop

Some issues with junk, food, combustibles which is illegal.

Randy to make note for E-Crier.

Next Meeting June 10th
