

October 13, 2014 SENIOR ADVISORY COMMITTEE MINUTES

Present: Patricia Jenkins, Penelope Stetson, Nancy Ryan, Shirley Walker.

Visitors: Carla Corey.

Meeting called to order at 9:00 AM.

Minutes of September 8 were accepted as corrected.

Old Business: (1) Flu Shot Clinic to be held on October 20, 10:00-2:00. Patricia and Penny will be at the Safety Complex at 9:30 to help with Walgreens set-up. NH Blue Cross/Blue Shield Insurance will cover town employees (that is their provider). It will be the heavy-dose shot. We will meet with a pharmacist in July and decide if we would like the clinic at an earlier date as there is some confusion as to what is best for timing of the shot. (2) Lee Fair. Shirley reported that all thank you notes were sent and that it would be helpful to have crisp donators supply their names and addresses at the drop off tent on fair day to facilitate thanking the volunteers. (3) Senior Housing. A complicated issue. Nancy shared her report on research that she has completed this month, contacting the NH Housing Authority and their suggestions on who may help to move project along. We need a parcel of land and a developer (non-profit) before we meet with the Planning Board. Carla reported on a parcel of 19 acres near the circle that Keller Williams has for sale for \$2,000,000. Maybe we will ask Karen Gould, Eco-Home developer to visit with us. She might be able to answer some of our many questions. What kind of senior housing does Lee need? Shirley will visit with Julie to ask about a financial person to help with our questions. (4) Mast Way Pen Pals. We are waiting for a date to meet with a third and/or fourth grade teacher in the near future. Nina Jordan will coordinate this effort and a committee member will be involved to keep abreast of the program. **New Business.** (1) Questionnaire Responses and Ready Rides. Several responders stated they would like to be drivers for community members and Shirley will call those who listed their names and phone numbers on the questionnaire and give them Ready Rides contact information. After these calls, we may list this information in the E-Crier under SAC Notes. Other questionnaire responses-- workshops: time listed by responder

was once monthly and in the AM or afternoon and not the evening. Another was wanting to Help Other Seniors which brought up the discussion again of Time Bank and was tabled for now. (2) Recreation committee and flat place for seniors to walk. Shirley will contact Larry Kindberg and invite him to meet with us at his convenience—our meeting time or LRC meeting time.

Meeting adjourned at 10:10.

Shirley Walker
