

Lee Agricultural Commission

April 26, 2016

Present: Erick Sawtelle, Paul Gasowski, Chuck Cox, Dwight Barney, Amanda Gourgue, Cary Brown, Jonathan Kohanski, Laura Gund

Minutes were accepted as corrected (correct name for one of the Backyard Farming programs.)

Finances: Basically not changed in the last month.

Backyard Farming Initiative: A questionnaire will be available for the next program, which will be the last of this series. We will ask folks what they would like to see in future programs.

250th: A Lamprey River event and “Clean Up Lee” are two new items on the schedule of events. These will both occur on the last week-end in June. Cary talked about the time capsule which he is working on. We talked about the setting up of the tent for the July 16th week-end. Cary is also trying to get the towns’ tv station up and running.

Master Plan: The Master Plan committee has started editing our work. There was a long discussion about the Master Plan Vision and the final decision was to send the vision to the MP Committee as is.

Membership: We were sorry to learn that Steve Haendler has sent in his resignation to the Ag. Commission. A motion was made to regretfully accept Steve’s resignation. This motion passed unanimously. Discussed whether to send a note of thanks to Steve for time spent on the committee. It was finally decided that this should come from the Board of Selectmen.

Next meeting will be May 31, 2016.
