Marianne:

At its meeting last night, the Select Board reviewed a draft "Leash Law" that I had been asked to prepare (copy attached). During the

discussion, I mentioned that I did not see anything in Lee's Cemetery Rule and Regulations regarding dogs but that the Cemetery Trustees should be asked their opinion, which is why I am reaching out to you.

Please let me know if are interested in restricting dogs completely in Town-owned cemeteries (which some towns do, except for service dogs); if you want the "leash law" to require dogs to be on leash while in Town-owned cemeteries; or something else.

The Select Board will be discussing this again at its Aug.15<sup>th</sup> meeting. Please feel free to contact me if you have any questions.

**Following discussion, it was decided that dogs are presently permitted in the Town of Lee Cemeteries.**

**The Cemetery Trustees have decided to allow dogs on leashes to be walked in the Town of Lee Cemeteries and having the owners clean up after their dogs.**

Respectfully,

Cemetery Trustees, Marianne Banks.,
