

LEE ENERGY COMMITTEE MEETING AGENDA

April 4, 2017 7:00 pm

Public Safety Complex

1. Discuss Clay's presentation of the updated Energy report to the Select Board on April 10th.
2. Discuss strategy to work with lighting, indoor and outdoor (for the Safety Complex and the Recycling Center. Do we mention moving the swap shop? How about the small insulation-type items for the Recycling Center.
3. Energize 360 --- Background information (how it got started and its progress around seacoast area towns; who are the main sponsors; funding sources; etc. How can we use Energize 360 to further what we would like to do this year?
4. "House-keeping" details. Barb has found answers to many of our questions pertaining to our relationship to the town government.
5. Review RSA 91-A
6. Approve 3-25-2017 Minutes
