

Lee Heritage Commission Meeting Minutes from July 21, 2016

Present: Scott Bugbee, Dave Meeker, Pat Jenkins, Laura Gund

Guest: Laurel Cox

Minutes: Tonight we had the February minutes to approve and Dave moved to approve them as written. Motion passed unanimously. There were no June minutes.

Heritage Easement Monitoring: Laura has written up reports of monitoring the Randall Farm and Flag Hill Winery. These were read to the Commission and they were approved and will be sent to LCHIP with photos from Scott Bugbee.

Freese Brothers Band: We discussed hiring the Freese Bros. band again for the Jubilee at Flag Hill Winery in August and felt a smaller section of the band would be more appropriate at the Winery.

Land in our Hands: Martha Butterfield, author, apparently has two different versions of this book. One of them, "her version", will be sold on line and the other one we will be selling. Her copy has Helen Clark Leavitt's history of the farm included. We talked about getting a copy of this book to the UNH Organic Dairy, location of "Land in our Hands".

Down the Mast Road should be available by the end of the month.

Heritage Commission visits: We made plans to visit the Claridge House, which is for sale, with Scott Mills, owner. He and his wife, Tracy, have updated the house and it is now ready for sale. Also, on the agenda is a visit to The Coop, owned by Jim Banks.

Next meeting will be August 18, 2016.
