

Heritage Commission

August 16, 2018

Present: Pat Jenkins, Scott Bugbee and Laura Gund. (No quorum.)

Seven to Save: Discussed making an attempt to put the Parish House on the Seven to Save list. We will check with Laurel about doing the necessary paper work. We also need to discuss this with Andrew Cushing of the N.H. Preservation Alliance.

Thompson Mill Road pole placement: We discussed the pole placement, after having made a site visit and recommendation. We were satisfied with the position of the pole.

Nothing new on other projects of the Heritage Commission: benches, banners, calendars, shirts, etc.

Lee Historian: We talked about Randy Stevens being our new town historian.

Next meeting will be September 20, 2018.
