  - Project Review
3. Town updates
4. Stormwater workshop with SWA and LRWA. Update - venue
5. New Business
6. Other

Colleagues..

I've reserved the Smyth Public Library Meeting Room for our April meeting. The library is located at 55 High Street in Candia. If you can find the intersection of NH Routes 43 and 27 in Candia (the only traffic lights in town), the library is the second building on the right, going West on 27 from the intersection. The library will be open and you can come in the main entrance until 8:00 PM. The meeting starts at 7:00 PM. The meeting room is to your right as you come in, thru the (probably) closed door and on the left at the end of a short hallway. After 8:00 PM the door on the right side of the building will be open until we leave.

Richard Snow, Chair  
LRAC
