Ice Rink at Town Field

The liner was put down when there was some snow on the ground and when the water was added it did not smash down like expected. Some bubbles occurred from the snow that was there and then the ups and downs of the temperatures and resulting rain and snow has meant that the rink is not ready to be skated on.

Master Plan for Lee Rec

The draft plan was reviewed and edits made. The plan will be finalized and sent to the Town Administrator for distribution to the Selectmen.

The light on the pole next to the tennis courts has been fixed.
