Our revolving budget is: \$3796.68 and our general budget is \$8311.72

Old Business:

We discussed the ORYA MOU; the select board is taking it under advisement

New Business:

- Spring/summer programs: EE Hunt, Fishing Derby, Model Rocket Day, Music in the park.
- Proposal from Maximum Velocity- Larry suggested to table discussion of the MV MOU as there was not enough time to consider this proposal and present it to the BOS, considering the town appropriating a sum of money to continue funding ORYA for 2019/2020. Geoff Carlton not in attendance.
- Trail clean up at LRP- we discussed having a "clean up day" in May.
- We discussed fundraising ideas.

Larry motioned to adjourn the meeting at 7:25. Mike seconded. Meeting adjourned.
