

Lee Recreation Commission

July 2, 2013

Present: Larry Kindberg, Dawn Genes

Guest: Bill Humm

With no quorum and official meeting could not be held.

Bill Humm presented a draft "Memorandum of Understanding Regarding Construction and Maintenance of Trails on Town-Owned Lands". This MOU would be between the Lee Conservation Commission and the Lee Recreation Commission defining which town-owned lands would be overseen by which town commission. Some suggestions were made for changes and the MOU will be revisited at a future meeting.
