Members Absent: none

Others Present: Anne Tappan, Annie Gasowski, Paul Gasowski, Ruth Eifert, and Cary Brown

1. Chairman Bugbee called the meeting to order at 3:05pm.
2. Mr. Bugbee moved to approve the minutes from the January 22, 2019, January 24, 2019 and January 28, 2019 meetings. Pat Jenkins seconded the motion. Motion passed.
3. The Committee discussed the TCVC's Deliberative Session presentation of the Town Center Project. There were only four questions about the presentation during the session. These questions will be added to the FAQ section on the web site. The Committee reviewed the questions and answers already gathered and updated some of the answers.

Mr. Bugbee will let Cord Blomquist know when the YouTube video of the Deliberative Session is ready so we can link to it to provide additional information for citizens.

The Committee discussed how to get the word out about the project. Some ideas mentioned were: door-to-door outreach in Lee neighborhoods; putting an article in the E-Crier in each of the next four weeks until the March Vote; cross posting in NeighborLEE Facebook page.

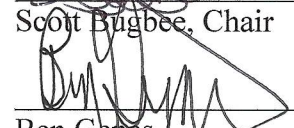

4. The Committee has discussed the purpose and location of the Town Hall Annex during the development of the Town Center Project. The Committee voted to utilize it for all the town committees and commissions and to leave it at its present location. The funding currently in the proposed budget to move the building will be used instead to renovate the building for its proposed use.
5. Meeting adjourned at 5:25pm
6. Our next scheduled meetings are: Tuesday, February 12, 2019, Tuesday, February 19, 2019, Tuesday, February 26, 2019, and Tuesday, March 5, 2019.
