

Town of Lee, NH
Town Center Vision Committee
Minutes of the Meeting on September 4, 2018

Town Center Vision Committee (TCVC) Members present: Pat Jenkins, Bambi Miller, Cord Blomquist, Ben Genes, John Tappan, and Scott Bugbee

Members Absent: None

Others Present: Anne Tappan, Lou Grondin

1. Chairman Bugbee called the meeting to order at 6:02pm.
2. The Committee debriefed of the LBA kick-off meeting and the 3:00pm Skype call earlier in the day. The general consensus was that the kick-off meeting went OK but there were some indications of problems, while the Skype call suffered from serious equipment or connection shortcomings. From our interactions with LBA so far, it appears that Mr. Robicsek doesn't fully understand the desired relationship between the TCVC and LBA. The TCVC will be drafting a letter to LBA clarifying the desired relationship for this design process. The Committee has also determined that the TCVC will be making the presentations to the Lee citizens about the project.
3. The Committee discussed the booth for the Town Fair and what will be displayed and discussed. The boards used previously will be used but only the first three covering the conditions of the buildings at the town center, not the remaining boards discussing the proposed warrant articles and the plan.
4. LBA will be meeting with town staff, committees, and commissions the week of September 17, 2018. Members of the TCVC will be present at all the meetings. LBA will do a walk-through of the Town Center Buildings the week of September 24th, 2018.
5. The Committee scheduled our next for Wednesday, September 12, 2018 at 6:00pm. Subsequent meetings will be scheduled as needed.
6. Meeting adjourned at 6:51pm
7. Our next scheduled meeting is: Wednesday, September 12, 2018 at 6:00pm.
