

Bantam Lake Authority
Regular Meeting Minutes
July 7, 2011
Morris Community Hall
Morris, CT

The meeting was called to order at 7:00 PM. Those attending were: Rick Bongiolatti, Gary Stafford, Aaron Devaux, and Tom Weik.

Lake Patrol report- There were several concerns raised over PWC and their operation on the lake. Specifically, reckless operation. A speed limit was briefly discussed. Also it was felt that patrols before noon on any day is not needed due to the lack of boat traffic. Tom said that he would speak with Sgt. Schneider about these issues.

Map update- Aaron received a rough draft from the printer and felt that we should explore other options to create a new lake map.

Jams Update- The survey is done. The engineers are seeking permission to do some testing on the concrete and stone abutment.

A motion was made and seconded by AD/RB to adjourn at 8:00 PM

Respectfully submitted,

Tom Weik, Chairman, BLA
