New Business:

Summer Camp: Several members have been approached by working parents to have the program start earlier to help with scheduling. Should help increase enrollment, discussion and consensus start programs at 8:00am and have two five-hour shifts for counselors. Lisa will discuss with Hawk and report to commissioners ASAP.

Summer Concerts: First of the season was on June 19th. Attendance was light possibly because school was still in session.

Commissioner Request: Ed inquired about the locking and unlocking of the gate and the bathrooms. He will check with Hawk to see if previous arrangements have been changed.

Jim advised the commission of the meeting today with Hawk, Jack, Leo and himself about the painting of the bathroom and the cost. After a discussion, the commission felt the need to delay the start especially because of the summer program beginning on July 1st and the cost. Jim suggested painting in the fall would also be advantageous because of the weather and drying of paint especially on cement. He would also volunteer to paint at no cost to the commission, thus saving the labor cost. Ed also volunteered to help paint. Lisa will call Jack tomorrow to discuss the commission's concerns.
