Agenda:

EARTH DAY

Earth Day event to be held April 29, 2017 starting and ending at White Memorial Shed 9am – 12noon. Naomi reaching out to Boy Scouts to see if they would volunteer (Frank VanOrmer contact). Lions Club and Litchfield/Morris Rotary have become very involved in Earth Day events and will cater food event at White Memorial after clean up. Naomi passed out flyers to distribute around town. G. Geci will send article to John McKenna at Waterbury Republican and also has an announcement running at Litchfield High School to encourage participation on Earth Day Clean Up.

Trash Receptacles in Borough

Continued conversation on acceptable recycling/trash bins in center of town. G Geci applied for a grant for recycling bins but we did not receive. G Geci shared a picture of a recycling container which he thinks will work in town. N Boccio motioned to have recycling container approved by Beautification Committee and simultaneously L Losee will show to Litchfield Historical Commission for approval. Unanimous approval of motion. D Wilson has 6 blue barrels that we will use for special events this summer for recycling.

Recycling Center Work

N Boccio shared that she is working with Raz on repairs for retaining walls at center. Looking for new dumpsters/roll-offs. Wants area to be cleaned up and more efficient. D Wilson suggested she contact Donny Albreda.
