

TOWN OF LLOYD TOWN BOARD

REGULAR MEETING

DECEMBER 21, 2016

Present: Supervisor Paul Hansut
Councilmember Kevin Brennie
Councilmember Michael Guerriero
Councilmember Joseph Mazzetti
Councilmember Jeffrey Paladino

Also present: Sean Murphy, Attorney
Rosaria Peplow, Town Clerk
Kate Jonietz, Secretary

Absent: None

7:00 PM – Supervisor opened the meeting and led the Pledge of Allegiance.

1. **REPORTS** – Town Board Liaisons

Audit – January 1 to June 30, 2016: Councilmember Brennie, Councilmember Mazzetti
July 1 to December 31, 2016: Councilmember Guerriero, Councilmember Paladino

ECC /Zoning Board – Councilmember Guerriero

The ECC's chairperson, Jack Maguire, announced after 25 years of service he will resign from the committee. Neil Curri was elected as the new chairperson.

Supervisor said he would like to do some kind of recognition for Maguire's years of service.

Highland Central School District – Councilmember Mazzetti

Mazzetti said that Ulster County Boces reported the High School currently has 83 11th and 12th grade students enrolled in their Carrier and Technical Education program. The district is reimbursed .63 cents from BOCES for each \$1.00 spent on the scholar's attendance in the Technical Program.

The Highland Music Boosters Club donated 600 shirts for all of the music students. It is their belief that the shirts will allow the music students to exhibit pride in their craft and a feeling of unity within the music community. If someone would like to purchase a shirt they can order one from the booster club website.

All of the schools had their winter concerts the week of December 5th.

Students from the Peer Leadership Program and GSA went to an Anti-Bullying Summit and they are going to assist in the implementation of what they learned in the High School.

December 9th high school students assisted with the festivities for lighting the Hamlet.

The High School French Club on Wednesday, December 14th went to NYC to see Fiddler on the Roof.

The Middle School had its career fair on Friday, December 9th and on December 16th and 20th they had their musical production "The Wishing Tree". The students also sang at Valley Vista Assisted Living Facility.

The Model UN club hosted its fundraiser at Barnes and Noble.

All schools will be closed for the winter holiday from Monday, December 26th through Tuesday, January 2nd.

Planning Board – Councilmember Paladino

Paladino reported that the Planning Board had their last meeting of the year on December 1st.

There was a light agenda. Mountainside Woods had requested a bulk table modification with some minor changes based upon constraints due to topography and/or the road and the shape of certain lots. It was minor and the Planning Board is willing to make those adjustments to accommodate them so they do not lose any lots.

Some of the Planning Board members met at Tremont Hall Corporation property (the former Pratt Lumber Yard and Vintage Village on Vineyard Avenue) where there is a proposed twenty-unit apartment complex. The members of the Planning Board wanted to have a site visit to get a better understanding of what exists at the location and how to utilize the adaptive reuse of the building. He thanked the entire Planning Board. There was a Tri-Board meeting following the Workshop Meeting on 12/07/2016. The agenda had a couple of major discussions of their role and the proposed Solar Ordinance. The Planning Board recommended that the Town Board implement the law in the new year. There was also a discussion of the concept plan of the proposed development on Rte. 9W and North Road

(formerly the Nardone farm near The Would Restaurant) for residential and commercial development.

Supervisor said he is going to send a letter to David Barton, Building Department Head, in regard to the Highland Assisted Living Facility on Grove Street. There was a verbal agreement with the owners of the Torsone Funeral Home on Vineyard Avenue that the Assisted Living facility would maintain the fence between the two properties which has not been done yet.

Dave Plavchak, Planning Board Chairperson, said they would include that in their site plan.

Police/Fire/Town Justice – Supervisor Paul Hansut

Water/Sewer/Drainage Committee – Councilmember Brennie

Brennie reported that the Water/Sewer Drainage Committee meeting was not scheduled for December. There will be a meeting in January. Dr. Anthony Pascale, who owns three parcels on Rte. 9W across from Bridgeview Plaza, has formally requested that he be included in the water and sewer extension. That will be discussed at the next meeting in January 2017.

REPORT – Peter Bellizzi, President, Hudson Valley Rail Trail

Bellizzi reported that there was a setback on moving the fiber optics and they are hoping that will go through within the next several months. Winterfest with the chili cook off is scheduled for January 14th at the pavilion at the entrance to the Rail Trail on New Paltz Road.

Supervisor said they received notification from New York State that the Town will be responsible to pay for the moving of the General Information Technology fiber optic cable that runs along the railroad bed where the western extension of the Rail Trail is proposed. The Town Board does not agree with that; it will cost \$33,000.00 to do the job. The Town of Lloyd's land use attorney, Teresa Bakner, has been in contact with them. If the Town Board fights it, it could take a very long time to get the extension going. Bakner will soon have more information concerning it.

Paladino stated that it is their responsibility to do the job but they want the Town to pay for it.

REPORT – Leonard Auchmoody, Manager, Bob Shepard Highland Landing Park

Auchmoody reported that they planned to do some of the soil work in preparation for the planting at the park but the weather was unfavorable. They have postponed the soil work until the spring. They have had some problems with the company that has been making the plaques for the park so they are speaking with other companies that may be able to do it.

Selux Corporation said they would donate some lights to the park about 7 or 8 years ago. He spoke with Brenda Shaffer, Vice President of Selux, after numerous phone calls and visits to the business. He sent her a map of the proposed lighting of the park to have Selux's engineers view it. He will then walk the property with the engineers. They will then make recommendations for the park lighting and will donate some lights.

There is a pavilion situated on the south end of the park on the plan. He has discussed the estimated cost to build the pavilion with several companies. The price fluctuates in accordance with the cost of lumber etc.

There are constantly birds inside the building. Someone is working in the building to straighten the windows and seal everything off around the entire building. This will make it weatherproof and prevent the influx of birds inside.

He is going to speak with electricians and plumbers to compile a list of materials needed to complete the building renovation. He would like to have the list completed within the next few months so that in March they can address anything else that they need. They hope to have the park finished and open by the end of the summer.

Roll call: Brennie, aye; Mazzetti, aye; Paladino, aye; Hansut, aye; Guerriero, aye.

Five ayes carried.

Supervisor commented that he wished Keith well in his retirement. He said that Keith has been out for almost a year and they have realized how much work he did. When something needed to be done Keith would take care of it. The Town Board wished him the best of luck.

F. **RESOLUTION** made by Guerriero, seconded by Brennie to hire Michael Roberto as provisional full time police officer at the rate of \$40,278.00 at the recommendation of Chief Daniel Waage.

Roll call: Brennie, aye; Paladino, aye; Hansut, aye; Guerriero, aye; Mazzetti, aye.

Five ayes carried.

Councilmember Guerriero commented that Roberto is a very astute police officer and

he will do a great job.
Supervisor agreed and said Roberto will be a great asset to the police department.

G. MOTION made by Paladino seconded by Mazzetti to appoint Liza Lanzarone to a five-year term on the Board of Assessment Review effective 10/01/2016.

Guerriero commented that as far as he knew, Anthony Prizzia who currently is on the Board of Assessment Review was never notified of being removed from the Board. He asked if anyone has contacted Prizzia to ask if he wanted to be reappointed or to resign from his position on the Board.

Supervisor replied that no one had. Two people applied for the position. He thought that Lanzarone would be a good choice for the position based on her background of working in the banking industry.

Guerriero said she would be a fine candidate. He feels that someone serves on a Board should be respected and appreciated. Contacting members of committees or boards whose term is due to expire as to their intentions of remaining or leaving the current position ought to be part of the process. The Town Board needs to set an example of how everyone who volunteers for the Town should be treated. It should be shown that people who volunteer in the community are appreciated for their time and service. The Town Board has had this discussion before with the appointment to the Board of Ethics and he understood that they were going to correct the way they appoint people. The Town Board needs to correct the problem of how they appoint and/or excuse people from a position. He asked if anyone could send a letter to Mr. Prizzia.

Supervisor said there is a list in his office of everyone that serves in the Town and he would encourage every Board member to view it. He received two letters for the position and this is who he decided upon for the Board of Assessment Review.

Paladino said he believed, in light of what happened with Joe Indelicato on the Ethics Board, when they previously discussed the procedure of appointments that they requested if anyone had interest in staying in a position that they should send a letter of interest before their term expires. He thought that is the way they left it.

Peplow commented that Mark Reynolds inquired about the procedure for appointments and in the minutes it states "... that the practice of asking the person who has served if they wish to continue to serve will continue."

Mazzetti said the discussion is not about the person but the process that was used. He dislikes having discussions when names are attached to them because he does not think it is fair to the person.

Guerriero said that in his opinion it is bad behavior to bypass someone who has served and not give the person the opportunity to accept or decline a reappointment to the position.

Plavchak said he thinks the Town Board should make it the Chairperson's responsibility to notify people when their term is going to expire. If someone's term on the Planning Board is expiring, he tells them that they either have to reapply or not.

Mazzetti commented that he was under the impression that was the process the Town Board had adopted.

Paladino said if a member wanted to continue to serve and the term was expiring then that person should submit a letter of interest.

Supervisor said duly noted. They are preparing the Reorganizational Meeting agenda. He suggested and encouraged the Town Board to review the terms of the volunteers and feel free to notify that person.

Five ayes carried.

H. RESOLUTION made by Mazzetti, seconded by Guerriero to hire Brandon Parker effective January 6, 2017 as Transfer Station Attendant at the rate of \$13.56 per hour at 20 hours per week, pending a completed physical, all of which is budget supported and at the recommendation of Richard Klotz, Highway Superintendent.

EXHIBIT 'A'

December 21, 2016

Central Hudson Gas & Electric Corporation
Attn: James Keating
242 South Road
Poughkeepsie, NY 12601

Re: Central Hudson with Town of Lloyd Vineyard Avenue

Dear Mr. Keating,

This letter is in reference to the Town of Lloyd's agreement to restore and repair that portion of Vineyard Avenue which was recently disturbed during Central Hudson Gas & Electric Corporation's gas line installation work during 2016. This letter is to confirm that the Town of Lloyd and the Town of Lloyd Highway Department agree to release Central Hudson Gas & Electric Corporation from all liability, responsibility, and claims for repairs to that portion of Vineyard Avenue disturbed during Central Hudson's recent gas line installation work on Vineyard Avenue between Milton Avenue and Grand Street in exchange for the sum of \$15,000.00 from Central Hudson Gas & Electric Corporation. It is mutually agreed and understood that the Town of Lloyd will release Central Hudson Gas & Electric Corporation from all claims and responsibility for the restoration and re-paving of that area of Vineyard Avenue disturbed by Central Hudson during its work as set forth above.

Very Truly Yours,

Town of Lloyd
