Dollar General / Multifamily

Development project of 21.7 acres of land along Route 9W. Three tax parcels: 88.17-6-15.11, 16.11 and 25.11.

It is the intent of the applicant to create a subdivision and to proceed for final site plan approval.

Two of the parcels with frontage on Route 9W will be created to allow the existing Burger King and Trustco Bank to exist on separate lots. Although these two parcels are on a separate tax map parcel, they are still within the title of other lands and have long term leases. The other three proposed lots with frontage on Route 9W are for new construction and renovation of an existing building; lot 6 for a Dollar General store, and lot 4. Lot 4 currently has two commercial buildings that will be renovated. The remaining lands, lot 5 (18.1 acres), will be for a multi-family housing for 72 units.

The applicant anticipates a full environmental review under SEQRA will be conducted for a complete build out of all 6 lots with subdivision approval.

Revised subdivision plan with EAF and Preliminary Site Plan will be submitted.
