The minutes of September were approved as read 1st Marty 2nd Tom all agreed

Orchard church- Jeffery Lewis, principal engineer was explaining about the new church to Be built on Pillsbury Road {west} to the right of the current Morrison house. The church will Have seating for up to 400. The plan is to have a storm run off to drain down the hill, from the Left of the church as you face it from Pillsbury Road. This will put the bulk of the drainage To be behind the future Rev. Morrison house site. This was a concern of several members. Jim Butler asked how many feet would be between Pillsbury Road and the parking lot. The Engineer answered 80'. The parking lot will be immediately off Pillsbury Road, up front, with Five apple trees kept.

Stoneyfield Yogurt- Chris Rice, project manager was present to show that they would like To add on to the present building. They were here also in August to show the plan. There were Questions about landscaping, they plan to add some bushes and trees. All accepted the addition.

Kathy Wagner was present to ask about the newly cleared area at the town common. The area Cleared was done in the wrong area, too close to Mammoth road. Kathy who is on the Olde Home Day Committee was asking about the future use of the area. There will be an opening in the Stone wall of 6', only enough for foot traffic, no vehicles. She strongly suggested that a professional Stone wall person should make the opening. The new area would be stumped by the town, seeded And placement of picnic tables would be available. There will be a public hearing on this.

Chairman update- Art spoke to the boy scouts about helping with photos of historical houses Built by the year 1900 and less. Maybe this could be an Eagle Scout project.

Meeting adjourned 9:50 p.m. 1st Janet 2nd Jim all agreed.

Respectfully submitted,

Sue Joudrey, sub. secretary
