### MINUTES

No minutes from previous meeting to approve.

### OLD BUSINESS

1. Facilities Update: Update: Fields are wet, Sid may change future watering to increase root growth
2. Equipment: No problems. Will be storing LHS sprayer in the new Rec garage.
3. Long Range Plans: Will address at the December meeting.
4. Nelson Road Lights: Will be trenching and running power when the area dries out.
5. Pool committee. Two meetings since last month. The committee has review pools in surrounding communities. The Dover pool cost ~\$100,000 to run. It's an outpool built in the 70's. Swim teams offset cost of the pool. The pool is closed to the public at 4PM. There is currently no land available in town. All the pools reviewed were built with federal grants. Goofstown estimate approximately 3 million to build a new facility. The committee prefers an outside pool. The second meeting was held at 3PM Glenn was unable to attend the meeting. The operating cost of the pool would be approximately  $\frac{3}{4}$  of the current Rec Com budget. They will present to the Town Council before 12/15.

### NEW BUSINESS

1. Pickle Ball. Have a had a couple requests. The estimated cost for 2 courts is \$150-200k. The courts is slightly smaller than a tennis court and would need fencing. Would need to find a location, possibly at West Road. The court would most likely need to a be a citizens petition.

### OTHER BUSINESS

1. Rec Com members terms. All members except for Glenn and Todd expire this coming January. Members wishing to stay on the committee should contact Kirby Brown at the Town Offices.
2. Skip Urbine passed away. Skip ran the tennis program for many years. The Tennis Courts will be named after Skip.
