OLD BUSINESS

1. Facilities Update: West Road is open, Nelson still a little soggy. Field 1 is still a little choppy. Tennis backboard has been replaced approximate cost was \$300. Picnic tables have been repaired. Electrical panel at West Road has been update.
2. Equipment: New sump pum purchased used at Nelson when fields are wet. Chainsaw was replaced. New spreader purchased for \$400.
3. Budget: 62% spent and into the year 80%, no large expenses forseen for the rest of the year. Joe Green would like to know if there are enough funds in the budget to install lights for the mens league warrant article that failed. It's questionable that any funds could be spent after a warrant article failed. The mens league plan on brining another warrant next year. Todd Ellis asked about replaceing netting on West Road. The area of netting that needs replacement was installed by soccer and not the town and would need to be funded thru the soccer groups. Ron Campo would like to come up with a 3 year outlook for budget items.
4. Comcast Cares: Will be working on the playground spreading mulch and clearing brush near walkway. 30 yards of special playground woodchips have been ordered.
5. Eagle Scout Project: Scout would like to install bat houses at West Road. The project was approved by the scouts.
