OLD BUSINESS

1. Facilities - the grounds are in good shape. The West Road soccer goal mounds will need work, nothing out of the ordinary
2. Equipment - no problems. Sid would need a line painter for parking lots. He will get samples to Art. Kevin estimated this will cost \$3-4K. Joe suggested going to town meeting with a warrent article asking for funding.
3. Budget - The basketball court was voted on to do the armor repair, \$13,129 to repair cracks and paint it. Patti motioned, Glenn second, unanimously approved

NEW BUSINESS

Pickle Ball - SAU suggested spring in schools when demand for building goes down Already have adult dodge ball (dwindling down) Wednesday at Middle School 8:30-10:30 in the multi purpose room. Rec council in general has good relationship with SAU. This is a pick up league, not official league needing to be sanctioned.

Marty Srugis is resigning as of November 17th. He has worked part time over 10 years with LAFA bringing the garbage to the roadside.

Skatepark is not tidy as per a concerned mother's call into the hotline. Sid maintains this but had been on vacation. There is a hill between the skatepark and parking lot with mini bushes. Sid will clear this so there is a site line to the skating park from the parking lot.

Kevin Smith had received a message that an Eagle Scout is looking for a project. Art suggested fixing this area. A High School Senior also approached Art for the Senior Project to do on the skate park. A decision will be made on if this will be a Senior Project or Eagle Scout Project.

Lights on field 3 repair. Patti and Todd are working with Steve Cotton to have the 32 lights changed.

Motion to adjourn 8:07 by Kevin, second by Glenn. All in favor.

Minutes Respectfully submitted by Patti Maccabe
