OTHER BUSINESS

1. Todd Ellis, President of Londonderry United, presented his U 17 Travel Team roster and asked the Commissions permission to run the team despite the team not meeting the 80% player residency requirement. Discussion ensued. Vote 4-0 in favor of allowing the team to play.
2. Joe Green speaking as Vice President of LYSA asked the Commission's opinion of allowing LYSA to have it U 12 teams to play teams from other town's. Discussion ensued. Mention was made that for the spring session this would be more plausible than the fall as in the spring there would only be 4 U12 LYSA teams in the fall. Suggestion was made that Joe Green and Todd Ellis meet to discuss the proposal and that the item be put on the agenda for the April Commission meeting.
