Proposed Committee Meeting Minutes

**PRESENT**

Art Psaledas  
Bill Manning  
Kevin Foley  
Patti Maccabe

**OLD BUSINESS**

1. Facilities Update – gates are locked at West Road. A person from Nashua, Tracy, has been emailing Art requesting the gates be left open so he may enjoy the outdoors from his warm car.
2. Equipment Update – everything has been put away for the winter. The fields at West Road did not get over seeded due to the Thanksgiving snowstorm.
3. Budget – we are OK at this time for spring. There were no major breakdowns.
4. Recreation Commission Opening – an alternate or permanent committee member will be recommended to the Town Council depending on Ben Parker’s decision to stay on as alternate or become permanent – Art will contact Ben. It was a unanimous vote to have Glenn Douglas fill this spot. Comments on this decision included his always attending meetings bringing insight, discussion and participation. Gary wishes to remain as an alternate.

The 7 residents who applied for the opening on the Recreation Commission included Kevin Durhak (President Youth Lacrosse), Glenn Douglas (President Blue Lions), Ryan Fragala (Has coached various sports now a coach with United/Express), Rick Morgan (Trainer LYSA), Ryan Ouellette (President Londonderry Wildcats), Kerri Stanley (Board Member LYSA), Jim Loiselle (Board Member Wildcats).

*NOTE: Ben Parker was contacted after the meeting by Art. He has decided to stay as an alternate.*

**NEW BUSINESS**

1. Ski Club – no longer active. Mr Hamilton was involved for 18 years. The interest has gone down in the last years going from 8 buses to trying to fill 2 buses.
2. LBC numbers – good numbers reported 800 at this time

**OTHER BUSINESS**

Andy Mack contacted Art for his support (not as a recreation commission) to put in extra trails

Rec hotline is still down, as of Thanksgiving. Art is working with Fairpoint to fix it. Kevin Smith reported to Art that Rick Morgan stated he had purchased the trade name of Londonderry Soccer Club to protect it from outside intruders rumored to be looking to purchase the name. Rick will meet with LUSC board members to transfer the name to them.
