

SOLID WASTE ADVISORY COMMITTEE

2010 MINUTES

May 26, 2010

Attendance: P. Margolin, M. Srugis, J. Sadler, K. Stanley, M. Pauwels

Agenda

- **Beautify Londonderry 2010: statistics, remaining tasks, final reports, lessons learned, recognition (90)**
- The 3 volunteers did a great job learning and performing all the activities necessary to conduct a successful and safe BL program this year. Joel especially put in lots of personal time to attend to details.
- The main recommendation was to get more volunteers next year – we could use 3-4 more to split up the support to Town projects, school projects, road crews and landscaping / organics.
- Joel prepared some dazzling summary charts of statistics, participants and recommendations
- All 3 would like to participate again next year, with help
- Paul will issue a summary of remaining actions for everybody
- Meeting time: 6:30 to 8:15
