

SOLID WASTE ADVISORY COMMITTEE

2010 MINUTES

Jan. 28, 2010

Attendance: P. Margolin, J. Wissler, G. Moretti, D. Himes, M. Srugis

Agenda:

- **Housekeeping & action items (5) e.g. Gotbooks**
- **Beautify Londonderry 2010 (85)**

Minutes:

- South School PTA has secured an agreement with the property owner where Delahunty's Nursery used to be to host a Gotbooks container. All proceeds will benefit the South School PTA.
- Allied Waste did a waste and recycling logistics audit at Matthew Thornton and will be doing LMS next week.
- The members discussed Paul's outline of BL activities and determined what members would do and what we need new volunteers to help with. Some activities and benefits will be eliminated without more help. Paul will update the activity list in preparation for the public meeting we're holding on Feb 3 at 6:30. We hope to get a good turnout of new volunteers.
- Paul had met with Chuck Zappala of the school district, who volunteered to take over the planning of the school projects. Paul also solicited Gayle Esterly at LHS for potential internship interest, and arranged / wrote articles to advertise the public meeting in the L'derry Times and L'derryNH.net. He also got a disk of Carolyn's BL files from the Town office. He'll send John Wissler the files he needs to prepare sponsor letters. The Finance Dept confirmed that they will continue to bank and account for our donations, and we can mail the sponsor letters via Town Hall.
