

# **SOLID WASTE ADVISORY COMMITTEE**

## **2010 MINUTES**

**Mar 18, 2010**

Attendance: P. Margolin, M. Srugis, J. Wissler, G. Stewart, G. Moretti, D. Himes, M. Brown, M. Pauwels, K. Stanley, J. Sadler

### **Agenda**

- **Follow Up with Allied Waste (30 – Doris to contact AW)**
- **Beautify Londonderry (30)**
- **Planning for the April public meeting (15)**
- **Committee charter (15 – time permitting)**

### **Minutes:**

- The Committee congratulated Gail on her Volunteer of the Year award for organizing block leaders and communicating in the blogosphere with residents in order to publicize the new automated trash pickup program.
- Most of the meeting focused on preparations, responsibilities and action items for Beautify Londonderry 2010:
  - Kerri reported on the sponsors and projects; most sponsors have already responded with commitments. She has also arranged for newspaper coverage and cable slides. She is also contacting volunteer groups
  - Joel reported on the status of volunteer groups and projects. He is putting the master list online on Google Documents
  - Maureen is working with ALERT and the LPD and will be inventorying the current supplies
  - Doris will retrieve the supplies and bring them to Woodmont for Maureen to inventory
- Committee members each took 1 or 2 of the remaining sponsors to follow up with in the next week.
- The Committee liked Joel's idea of giving out flower seed packets this year. Joel will price them locally and report back.
- Paul to attend the Heritage Commission meeting on Mar 24 to discuss Town Common work
- Paul is arranging to get 1,000 prs. gloves from Dollar Bills
- Members' consensus was to table plans to hold a public forum on the state of the Limited Waste pickup system and results
- AW failed to show. Paul will contact Doris to re-schedule a visit from Stan Walczak.
- Marty brought in the 3 signs he received courtesy of NH the Beautiful. Because he needs more, this will be raised with AW at the next meeting as a possible source.
- John mentioned how much he enjoys the Committee's meetings when they overrun.
