Other 2014 goals	Committee
e.g. new Recycling ideas	
DES Haz Waste site grants	Paul

Future months:

New Solid Waste Videos	Vinny Curro
-------------------------------	--------------------

Housekeeping

Acceptance of Minutes:

Minutes from the July meeting were reviewed and approved

Miscellaneous

- Paul is in the process of writing other articles to be put in the Londonderry Times.
- Duane reported that there was nothing new on the hazardous waste collection at Wolfeboro. He is trying to get a time when he can review their process at their HHW drop off center.
- The new Welcome to Londonderry sign by Chase Road has been installed. Kevin Smith had indicated that he would like a second Welcome to Londonderry sign made for a possible location near the airport entrance. Nothing has been done on this matter.

Main Topics

- Vinnie did not make it to the meeting to discuss the videos and the changes that were requested. The committee discussed ways of getting these completed.

- There was discussion on the status of the sponsor signs at each of the Welcome to Londonderry signs. Duane went to each sign location to inventory the condition of each sign. Paul indicated that he would like to get quotes from the NH Prisons to make up a new set of signs to replace those that are damaged or faded.
- Paul spoke with Benson's about the possibility of collecting CFLs at Benson's. Paul asked the committee to poll several businesses in Town as to how they handle disposal of their used fluorescent bulbs and CFLs.
- Bob said that the Household Hazardous Waste Collection Day will be November 22, 2014 in Londonderry.

Meeting ended at 8:00 PM.
