

The Londonderry Street Naming System Task Force held it's sixth meeting on October 27th, 2009 in the Sunnycrest Room. The Meeting began at 9:00 am.

Present: Jim Bilodeau, Karen Marchant, Cindy McCann

Absent: John Vogl

22 Cedar St

Mrs. Webster has emailed Karen back with 3 possible names for their new street. They are Wildlife Way, Natures Way and Moose Walk Way. Karen will email back to Mrs. Webster that all are acceptable and ask for them to submit one name.

33 Jefferson St

Mr. Foote has emailed Karen back with 4 possible names for their new street name. They are Buck Way (too close to Buyke), Harley Way (too close to Hardy), Harvey, Hovey, Foot Path Way and White Tail Way. Karen will email back to Mr. Foote, that either of the latter two would be fine and to submit their final choice back to Karen.

Both the Websters and the Footes will be informed by certified letter of the Public Hearing that will take place on November 16, 2009, concerning their address changes

49A Seasons Ln

49A Seasons Lane has also sent a name change to us through Jim Bilodeau. The name he wanted for his driveway is Fall Lane. We have not accepted that name because of Hall Rd. Other recommendations for him to consider are Falling Leaf Way, Leaf Way, Falling Way. He is going to be invited to the November 5, 2009 workshop meeting for a discussion of his driveway.

Other Business

We had 2 letters come back to us from the post office after our mailing about the address changes on Nashua Rd. It appears that those 2 properties do not have a mail box for the post office to leave their mail, but that is the only address that the Assessing Office has for an address.

Next meeting is a workshop to take place on November 5, 2009 for the residents of Nelson Rd, Dan Hill Rd & 4 Webster Lane
