J. Farrell- tonight's meeting is to interview our final candidate for Londonderry's marketing project which is the Glen Group.

Following the conclusion of EDT's final interview with the Glen Group, the EDT discussed each one of its finalist. The taskforce directed Andre Garron to pursue a contract with O2-Generations of Creative Energy. If the background check of O2 was not positive, then pursue a contract with the Glen Group.

Next meeting to be determined based on the background check and contract negotiations

Meeting Adjourned at 9:00 pm

Respectfully submitted:

Andre Garron, Community Development Director
