Respectfully submitted, Dan Lekas EAC secretary

On August 7th, members of the subcommittee, Stacy, and Andre met with developer Joe DeCarolis at the town hall at his request. He presented a plan to develop a portion of his property on Stonehedge Road for low income senior housing. Our consensus after our meeting with him and a review of a revised proposal was that we would not move forward with this proposal based on: 1) no federal funding, 2) we did not feel it would serve the population of low income seniors that we are trying to reach, and 3) the land is not accessible/close to community services.

At Al Baldasaro's request, the subcommittee chair emailed Andre Garron to "find out what it would take to get the Sanborn Road property site shovel ready..... for HUD funding when Congress does allocate
