Monday May 11, 2016

---

### OPEN – 7:30 PM

Position	Name	Present	Absent
Director	Art Psaledas	X	
Member	Bill Manning	X	
Member	Kevin Foley	X	
Member	Ron Campo	X	
Member	John Rolfe		X
Member	Glenn Douglas	X	
Alternate	Chantal Schreiner	X	
Alternate	Todd Ellis	X	
Town Concil Rep.	Joe Greene	X	

### MINUTES April minutes approved as ammended

### OLD BUSINESS

1. Facilities Update: No problems. Fields will be sprayed for ticks when weather is suitable.
2. Equipment update: Belt and pulley repaired on machinery.
3. Budget: Less than 10/12<sup>th</sup>'s of budget expended to date, no budget freeze this year
4. Curfew. Section IV of the Parks and Recreation Munucipal Code ([link](#)) already contains a 10 PM curfew. Police Department wanted a separate curfew, but was discouraged by the town attorney. A curfew violation is a misdemeanor. The basketball courts are lghted until 11PM, but is a Recreation Department authorized exception. Police would have discretion in enforcing the curfew.

### NEW BUSINESS

1. Lights on baseball/softball field. Steve Cotton had 3 different LED bulbs installed to see which bulbs would work better. Electric bill should be reduced, no ballast needed with LED bulbs. May want to look at LED for future replacements. Ron campo would like to know what the delta on cost is for led's. Cost for lower nelson field was ~12-13,000 for bulb replacement only, not fixtures. Curious what wattage and payback is if bulbs were to be replaced on an as needed basis. President Field lights are 20 years old.
2. Mens League has some funding. Considering installing gate, lights and field aeration. Costs could be split between town and league. Color of LED should be considered for baseball, some colors may be better than other.
3. West Road Soccer Field #2 New Lights. The town has received 2 bids and awaiting a third bid. It's not easy getting bids since field lights is considered a smaller job. There is enough funds in the impact fee account to cover the cost of the lights.
4. Rock for basketball court. Art spoke to someone at high school who can have rock barrier placed around the court to block vehicle access.
5. Skate Park Senior Project. Art and Sid met with the student. He will be spruceing up the area and painting some of the ramps. He will not be doing any structural work. Some of the ramps will need work to secure the ramps. At some point a warrant article will be needed to complete a structural overhaul of the park.
6. Fall/Winter Field Scheduling. Meeting is Thursday May 11 @ 7PM in the school district office.

## **OTHER BUSINESS**

1. There was an injury at the LAFA fields last week. Player 11/12 year old league hit with a line drive. Player was taken to Boston and is doing well. Tim Dodge is working with the family to help with gas cards and meals.

**Meeting Adjourned at 7:52**
