Attendees:

Patti Maccabe, Bill Manning, Kevin Foley, Glenn Douglas
Art Psaledas- Recreation Director

Bill opened meeting 7:35 Kevin motioned, Patti second
June Meeting Minutes were unanimously approved
Glenn made the motion, Kevin second, all in favor

OLD BUSINESS

1. Facilities - The lights at the basketball courts at Nelson were repaired. The transformer was burnt out. Three bids were received. The work was complete for \$3K with LED lights. Everything is now up to code. The cracks on the basketball court need to be repaired - grind and paved. Estimates will be gotten prior to work being done.
2. Equipment - The cab top for the tractor was ordered. A Londonderry resident will install it at cost saving. All other equipment is in working order.
3. Budget - recreation came in under budget. We have a \$9000 bill for water. Eversource will have a new schedule for the demand charge. We need to watch closely for turning on and off lights.

NEW BUSINESS

1. Art and Sid will meet with John Mortimer to set up the road race. Kevin Smith will be singing at the road race scheduled at LAFA fields on July 25th.
2. CNN is sponsoring a political event at the High School on August 19th. Soccer teams will be practicing on West Road for those 3 days
3. Parents wanted to rent West Road fields for a private soccer camp. The High School Soccer coach wanted to hold a camp. The requests were denied with the explanation that both town soccer clubs hold camps there already and no competition will be allowed.
4. Door at West Road pump house - needed to be repaired after people broke the lock and kicked in the door
5. Goal mouths at West Road will need to be worked on for the fall
6. There is a men's soccer league in the state where Londonderry has 8 residents on a team. They have been playing their home games on West Road, Sunday mornings, field 7. The team numbers of Londonderry residents do not reach the sanctioning 60%. The league is not a Londonderry organization. It was unanimously concluded that this team/league does not reach Londonderry's sanction requirements. Art will contact them to let them know they will not be allowed access to West Road fields.

7. Glenn questioned the gas line going close enough through West Road area. He requested more information from the town for the residents regarding this gas line.

Motion to adjourn 8:10 by Bill, second by Kevin. All in favor.
