BL2011 planning (10)

- Abbreviated meeting due to light turnout
- Minutes and Annual Committee report was accepted, with edits
- Committee agreed to 2011 goals
- Paul to talk to Londonderry Times about Gail doing a Green column
- Gail reported South School PTA did put a Gotbooks container in place at corner of Mammoth and 102. We will look into siting a container at the new North fire station
- Gail to look into “commingled waste/recycling” operation in Charlottesville, Va.
- Donna to get or lend 4 clear-stream frames for LAFA fields
- Could Dave use same at West Rd. for soccer games?
- Donna reported Derry has agreed to accept Londonderry drop off items, for the same fees they charge Derry residents. This will need publicity.
- Donna explained that all but one of the sandwich signs the DPW has were purchased by the DPW. All but one of the original 4-5 BL signs has been lost, likely by the volunteer road crews in 2008. We will borrow the DPW signs for BL2011, and hold the road crews accountable.
- A new environmental engineer has been hired.
- Meeting time: 6:35 to 8:10
